Dear Resident

RE: Up Date

The Board of Directors wanted to take this time to thank all the residents for paying their dues in a timely manner and for volunteering to mow the lawn. This year the lawn schedule is completely filled. We are hoping the enthusiasm shown will spill over to our spring activities.

We have purchased a mulching kit for the tractor and a new snow blower. The mulching kit does a pretty good job on the leaves and we are hoping it will help when the grass is tall. With the new snow blower we will be making an exerted effort to keep the path cleaned including the new school crossing.

As you can see our social committee has been busy planning the Christmas party please plan on attending.

Once again thank you.

John Carpenter
