Anyone wishing to join any the committees please contact John Carpenter at 248 – 624 – 1488. Your input is important to keep the association strong and viable. Please join us in this effort.

This year we had a fair turn out. Decisions are made concerning the operation and management of the Association. We need your support and input by attending the meeting. It is one day in the year and is planned well in advance.

The Social Committee volunteers a lot of their time in planning the meeting and the City Officials also come in to speak.

Won't you mark this years date on your calendar and plan on coming. We have many things for the kids to do and everyone will have a good time.

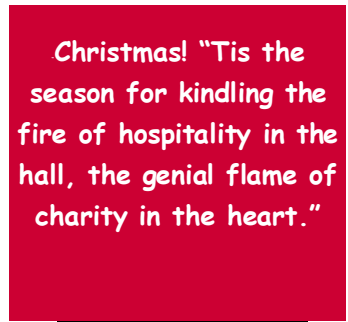

Thank you.

Check out the Web Site – it is real cool

We are pleased to announce that this year the schedule for lawn mowing is completely filled. We appreciate everyone who stepped up and volunteered.

The City officials gave a nice presentation on the new village being developed. It is sure changing the landscape of the city.

Toys for Tots

Just a few Kudos

 Our Social committee is definitely number one. *Saadia Iqbal, Diana Urbina, Rosy Garza, and Tina Walther* did a great job in planning and preparing for the Christmas Party. I heard several comments how everyone thought it was great. There were games, crafts, and of course Santa. This year we also supported "Toys for Tots"

A special thanks goes to *Wendy Robinson* for advising the committee and helping with the set up. Also to Kirk and Wendy's children *Jaclyn and Jessica* for being the best of elf's. Santa told me per-

sonally that they were great! And wants them back next year.

A BIG thanks to *Kirk Robinson* for installing the new snow blower on the tractor and performing all the required maintenance. Through out the year Kirk continues to give of his time for the Association.

Thanks to *Linda Alsheskie* for lending her camera for the party.

**** Thanks to all ****
